City of Wheatland

Incorporated in 1874, Wheatland has both a rich history and a bright future. Wheatland is one of only two incorporated cities in Yuba County and is located just south of Beale Air Force Base. It is nestled at the north-eastern edge of 3,800 residents. Located 34 miles north of Sacramento, Wheatland is ideal for businesses doing business with both the State and Federal government or those requiring easy access to international air travel. It is a great place to live, work and play and continues to be valued by its residents for its small-town atmosphere and rural settings.
